पुरे हुए सपनो से, हम जैसे ही अपनों से

Prerna (प्रेरणा):

Prerna based on concept of introducing innovative and interactive way of learning and educating in our schools. We mostly use stories as an interesting source to get inspired and motivated. Such stories may be of History where we get to know about civilization, culture, tradition etc. Stories of freedom fighters explain about the courage of such personalities who have sacrificed life for freedom. Indeed these stories are the true stimuli of our growth building but as time changes and technology evolution started, it is necessary that we adopt technology as medium to reach and teach.

In Prerna, we mainly introduce a new learning module of getting Inspiration by knowing about famous persons with the help of Cinema. Cinema as a medium is always consider as effective tool to throw messages among children. Prerna stories being categorised in three different categories like Balidaani (बलिदानी), Swabhimani (स्वाभिमानि) and Ubharte bharat ki Nishani. (उभरते भारत की निशानी) Detailed curriculum is being designed where each class will have one cinema in every week.

Benefits:

- Unique and innovative way of educating and learning with use of most interactive tool Cinema
- Breaking myth that such advanced learning tools are meant for private and high end schools.
- Three categories will cover most of personalities who are the source of inspiration of many.
- Curriculum allow to showcase such stories which is still not being included in school books.
- Student engagement and learning will enhanced which can be measured after every session.
